

Small Environmental Grant Scheme www.wettenhall.org.au

1. Aims

What is the overall goal of the project?

2. Significance

Why is the project needed?
What makes it an important and significant project?

3. Methodology

How will you achieve your aims: what methodologies will be used?

4. Partnerships and collaboration

Describe your intended partners and their roles (reference letters required)

5. Outcomes

What are the changes, benefits, learning or other effects that happen as a result of your work?

How will your outcomes influence the natural living environment in the short and/or long term?

6. Innovation

Describe how you think your project is innovative or interesting

Evaluation

How will you evaluate the success of your project, ie how will you know if your project has been successful in achieving its aims?

8. Budget

Is your budget realistic and appropriate? What do you actually need?

= expression of interest

= full application if EOI is accepted
