- This grant should be used within 12 months, or an extension must be sought from the Executive Director.
- This grant is only to be used for projects undertaken in Australia.
- Your organisation should keep detailed financial records to enable the use of grant funds to be checked readily. A signed expenditure statement is required upon completion of the project.
- Any equipment purchased with the grant remains the property of the applicant organisation.
- We won't pay overhead or administrative charges associated with a university.
- We require proofed copies of publications before release. These need to be approved by the Executive Director, and you will need to obtain the WET logo to insert into the publication.
- We must be notified of any publicity relating to this grant that provides information about Wettenhall, prior to the release of such information:
-please note that Wettenhall Environment Trust has a social media presence in order to raise awareness of the work you are doing. When undertaking your project, we ask that you generate content to post on social media, tagging Wettenhall Environment Trust (Facebook) and @wettenhall_enviro (Instagram). This ensures that we can share your achievements to our social media community.
- A final report on this project is required within 12 months of the release of the funds.

REPORTING GUIDELINES

- The applicant is required to complete a final report after 12 months (unless an extension has been granted). The Executive Director will contact you for your final report via email.
- The report must be filled in using our on-line application system. Your username and password will be sent in the email from the Executive Director.
- You are required to answer some questions about your project, as well as upload your signed and dated statement of expenditure.
- Applicants must submit photos with their final report. *By submitting your photos, you allow them to be reproduced in our Annual Report, on our website, on our Facebook and Instagram, or in other material associated with Wettenhall Environment Trust.*
- Final reports are reviewed by the Executive Director and assessed by the board of Trustees at one of our four Trustee meetings each year. Your project report and outcomes are given a score, which may affect your capacity to apply for further funding in the future.
