

1

Small
Environmental
Grant Scheme

AUSTRALIA-WIDE

2

Landscape
Restoration
Program

SOUTH EAST AUST.

3

Leadership
Development
Grants

AUSTRALIA-WIDE

‘boots on the ground’ projects

WE FUND

Citizen science, monitoring,
data collection, and all kinds of
research

Community education materials,
local information and resources

Capacity, wages, training,
professional development,
equipment, infrastructure

OUR IMPACT

Empowering communities to
collect vital information on
Australian species

Empowering communities to
take action to protect and build
habitat

Support for projects and people
who can sometimes fall through
the cracks

We accept donations from the public. We are a DGR 1 entity and donations are tax deductible. We collaborate with other funders and philanthropic organisations to increase the size of our grantmaking. Please refer to our website for more information, or make contact with the Executive Director.
